Summer 2022

From the District Administrator's Desk

Greetings to our Tigerton School District Community!

First and foremost, the district extends its sincere appreciation to our community for supporting the referendum that was approved in April. The passage of this referendum will make a significant difference in the district's ability to maintain our community school. We will be able to maintain programs, address maintenance needs, maintain safe and efficient buses with district operated transportation, and support the delivery of a quality education.

Thanks to ESSER funds, we are able to keep student Chromebooks replaced on a rotational schedule, and we have plans to update all student technology and classroom technology in the next two years. We will also be adding a School Social Worker to our staff that will work primarily at the elementary building to support student needs.

We developed a school improvement plan for 21-22. Two primary areas of focus for this year was conducting a curriculum review and materials review in the area of math and to work on inclusion which involves supporting our students with disabilities in the regular education classroom. We have purchased updated math materials for the MS/HS students. We are also investing in professional development for our teachers to support high quality math instruction. We have developed a vision for our special education department. Our primary focus for that vision is to engage in learning about best practices in serving students with IEPs so that college and career ready IEPs connect to student-specific needs and staff implement practices that focus on closing gaps. We are also working on inclusion which involves including our special education students into the regular education classroom as much as possible.

We will be restructuring our administrator roles for the upcoming school year. Nate Johnson will be the 4K-12 Principal, and Kelley Strike will be the Superintendent/Business Manager. We will utilize CESA 8 staff to serve in the role of Director of Special Education.

Please mark your calendars for student registration and picture day on August 9 from 11 a.m. to 7 p.m. You will receive email(s) over the summer with more information.

TIGERTON MUSIC DEPARTMENT TO TRAVEL TO DISNEY IN 2024

The Tigerton Music department is excited to be providing a unique opportunity for our students. In June of 2024, the band and choir will be traveling to Orlando, Florida, to perform at the world famous Walt Disney World for a national audience! Our students are extremely excited about this opportunity. We have taken advantage of fundraising opportunities for our students that include 50/50 raffles at concerts, our annual Mattress Fundraiser, as well as providing concessions at various sporting events and musical productions. We have already received donations from community members. Please reach out to Mr. Rewerts or Mrs. Merten with any questions about donating. We appreciate any donation you are able to provide.

THE ALL STAR BAND & CHOIR FESTIVAL

The All Star Band and Choir Festival took place in January at Weyauwega-Fremont High School. This year was particularly special as the event had been canceled for the past two years either due to weather or Covid-19. It was great to make music together again.

Tigerton is proud to have five high school band students nominated and participate in the festival. Pictured from left to right, congratulations to: senior Elizabeth R. (alto saxophone), sophomore Samantha S. (flute), senior Mary K. (trumpet), sophomore Edythe S. (tuba), and senior Mackenzie M. (flute)!

Tigerton Music Department (cont.)

During the event, students underwent three intense 90-minute rehearsals with distinguished clinicians that re-rehearsed and prepared students for the evening's concert. Our featured clinicians were; Dr. Kevin Otto, Director of Bands at the University of Wisconsin—Oshkosh and Dr. Stephanie Klockow, Director of Choirs at the University of Wisconsin—Platteville. Particularly, for students at smaller schools like Tigerton, the All Star Band and Choir Festival allows participants to experience fast-paced instruction while performing with an ensemble that is significantly larger than they are used to.

SPRING MUSICAL: LION KING JR.

The lights were on, the microphones were live, and the pride lands came to life on stage as the Tigerton Music/Drama Department presented *Lion King, Jr.* to two in-school performances for the Tigerton Students and four SOLD OUT shows. The cast, made up of 27 fourth through tenth grade students, did an incredible job and performed for over 600 audience members throughout the run of the show. The students were very excited to utilize the new, state-of-the-art, stage lights, stage curtains, and microphones that were purchased by the Drama Club. Mr. Rewerts and Mrs. McHugh (directors) could not be more proud of the incredible cast and crew and want to thank the community for the immense support of the production. We are looking forward to next year's production of Disney's *Newsies, Jr.*

MATTRESS FUNDRAISER BENEFITS TIGERTON MUSIC DEPARTMENT

The Tigerton Music Department held its first ever annual Mattress Fundraiser that took place late-March. This unique, one-of-a-kind fundraiser was a one-day-only event that temporarily transformed the Tigerton High School gymnasium into a mattress store!

We were incredibly grateful, delighted, and impressed with all the support we received. A big thank you is extended to our parent and student volunteers for helping make this event a success! Thanks to the hard work of our students and the generosity and support of our community, we raised \$12,440! We were the talk of the company nationwide because no other school of our size has ever raised that much money! We hope to see everyone next year on April 15 for our 2nd Annual Mattress Fundraiser!

TIGERTON JAZZ ENSEMBLE PERFORMANCES AT THE UW—STEVENS POINT JAZZ FESTIVAL

On February 4, the Tigerton High School Band attended the 30th Annual UW--Stevens Point Jazz Festival where high school and middle school jazz ensembles from across the state participated in performances, clinics, and masterclasses.

Students got to work with adjudicators from across Wisconsin to receive feedback on their musicianship and playing techniques. The event later featured a concert performance by a guest artist. This year's concert featured Austrian tap dancer, singer, and musician Max Pollak and his quintet, Rumba Tap.

TIGERTON JAZZ ENSEMBLE PERFORMANCES AT THE UW—STEVENS POINT JAZZ FESTIVAL (Cont.)

During the event, adjudicators can make the decision to award special recognition to select students for outstanding musicianship. This year the adjudicators recognized three Tigerton High School Band members for their performances at the event (pictured left to right): Elizabeth R. (saxophone), Mackenzie M.(flute), and Edythe S. (tuba). All three students were awarded the most outstanding jazz musician award.

SOLO & ENSEMBLE RESULTS

'Solo & Ensemble' is an event where students perform a classified piece of music as a soloist or as part of a group to a panel of judges. Students typically begin practicing for the performance two to five months in advance. This year's district event took place at Bonduel High School in early March. State solo and ensemble was held at UW—Stevens Point on the first weekend of May. Students who received a starred-first rating at district became eligible to perform at State.

TIGERTON CHOIRS

This semester the MS/HS Choirs were very excited to perform two different performances. Early in the semester the HS Choir performed their Jazz/Pops Concert with the HS Band. The choir focused on music from the 1960's including music from Motown and Franki Valli and the Four Seasons. On May 4, the MS/HS Bands and Choirs performed our Spring Concert, "Let's Go With the Flow." The middle school choir focused on songs themed around water. The HS Choir grew this semester to six members and they performed pieces designed for a 20 to 30 person choir with great success. The choirs did an incredible job this semester, and I look forward to many more years of music making with these incredible students.

GRADUATING MUSIC DEPARTMENT SENIORS

Sadly, the end of a school year also means graduating seniors. This year the department had a large senior class. A special thank you to our seniors: Elizabeth R. (band/choir), Mary K. (band/choir), Mackenzie M. (band), Gage S. (band), Bethany J. (band), and Joceyln M. (band) (not pictured). Thank you for your leadership, perseverance, dedication, and fun performance memories! Best of luck with your future endeavors!

The 2021/22 Tigerton Middle School 6th/7th grade basketball team had a challenging year facing opponents with greater experience. Though we did not win them all, these girls made me proud. Every game they played, they always kept a positive attitude, no matter the outcome of the game. I believe with hard work and dedication these ladies will do great things in the years to come. The 6th/7th grade basketball roster consisted of two 6th graders: Jaelyn B. and Mya S.

and three 7th graders: Danika T., Myah D. and Emily R.

Coach Kristi

6/7th Grade Basketball Coach

The Tigerton Middle School 7/8th grade girls' basketball team consisted of a nine person roster, which included Olivia A., Jaelyn B., Myah D., Grace L., Aaliyah L., Emily R., Mya S., Danika T., and Lillian W. Most of the season was dedicated to introducing and building upon the basic skills and concepts of basketball, such as dribbling, passing, defense, and rebounding skills. Most of the team had exposure to the game of basketball, so they had a desire to learn and improve throughout the season. The younger athletes stepped up to fill the team when

there were only four 8th graders. They played hard against other teams that had players older and more experienced than them. With a ferocious tenacity, the team battled game after game with a never say die attitude and stayed competitive in most games. Each and every player showed tremendous growth from the first practice through the end of the season. It is hoped that these girls will go on to play basketball throughout the remainder of middle school and into high school in order to continue to build upon their skills.

Third Grade Habitat Dioramas

Students in Mrs. Brady's third-grade class learned about various habitats. A habitat is a place where an animal lives. It provides food, water, and shelter for the animal. From forests to grasslands, mountain slopes to deserts, there are many different types of habitats on the planet.

Different animals live in different habitats. They get along well because they contribute to keeping the habitat healthy and balanced. Each student was asked to research a habitat and create a diorama and a short report detailing their habitat, plants, animals, and landforms.

PBIS Celebrations at Tigerton Elementary School

Tigerton Elementary promotes a safe and positive learning environment for all students. PBIS is an acronym that stands for Positive Behavior Interventions and Supports. Parents, students, and faculty all share responsibility for instilling positive behavior and developing good citizens. The PBIS philosophy is to assist children in developing self-discipline strategies for making good choices. Our priority is to recognize students for consistent positive behavior. We will stay on track and will be expected to—Practice Respect, Accept Responsibility, Work Together, and Stay Safe. Teachers and staff have reinforced the following monthly themes over the last few months: self-control, acceptance and diversity, perseverance, empathy, and conflict resolution.

Tigerton Elementary recognized our students for being respectful, responsible, cooperative, and safe with a sledding party on Friday, February 25. Students met their PBIS (Positive Behavioral Interventions and Supports) goal and had a great time sledding and playing in the snow. They also enjoyed hot cocoa, chocolate chip cookies, and coloring time.

During the final week of school, students were recognized for their excellent behavior once more and had the opportunity to swim at the Darwin E. Smith Aquatic Center in Wittenberg, watch a movie, and eat Pizza Hut pizza.
