Schedule Policy

An \$7 charge will be assessed if your child’s schedule is not received by Wednesdays at noon. **If your schedule is received after noon, we cannot promise that room will be available for your child for the next week.**

Overtime Childcare Fee:

A fee will be charged if your child is dropped off or picked up more than 15 minutes outside of their contracted scheduled time. A \$1.00, per child, per minute for each minute after the 15 minute grace period will be assessed, unless there has been a call made prior to the contracted pick up time from the parent informing us of the delay.

Call-in Policy

Each child is allowed five call out days. A \$8.00 per child fee will be assessed if you call out for a scheduled day of daycare, before your child’s regularly scheduled time. After the 5th call out, you will be charged for what your child was originally scheduled for. The daycare center must be notified prior to the regularly scheduled time of the child's non-attendance. You will be charged for what your child was originally scheduled for if no phone call is received of the child’s non-attendance.

Billing week is Monday through Friday. Child care payments are due by the date on your billing statement. A \$15 late fee will be charged to your account for late payments. If your account remains unpaid for a 1 month period and/or exceeds \$300 total, your child/children will not be able to return back to daycare until the account is paid in full.

If you qualify for county assistance, please contact your case worker for forms to fill out and apply for free or reduced child care.
